## ANZAC DAY at HAKARU and KAIWAKA

ANZAC Day at the Hakaru Returned Services Association saw the largest attendance ever - well over 1000 people. Piper Logan Brown began the service; the Mangawhai Cadets marched with the flags; the parade was led by former Returned Service men and women, then uniformed personnel from the Army, Navy and Air Force, uniformed service groups (Police, St. John, Fire Brigade, Scouts, Cubs) along with Kaiwaka, Mangawhai Beach, and Otamatea High Schools representatives. The addresses were given by Margaret Wheeler of Royal NZ Navy and Capt. Holloway Ashby.

In the evening at the Kaiwaka War Memorial Hall, Neville Andrew, vice-president of the Hakaru & Districts Memorial RSA gave a short address and led the ode before the excellent film, *The Imitation Game*, on the life of Alan Turing and code breaking in WWII.

Photos: Above - pupils of Mangawhai Beach School place crosses of our locals who died in the World Wars (many of these names can be read on the KWMHall Honours Boards); Below - left, the two rows of crosses leading to the wreath-laden flag pole; right, Neville Andrew below the candlelit Great War Honours Board at Kaiwaka War Memorial Hall. Photos on right, from top - Kaiwaka-Mangawhai Scouts - Liam Leslie, Neitana Blissett, Loran Adams; Kaiwaka-Mangawhai Cubs; Kaiwaka School pupils - Gareth Ferguson, Damon Edwards, Lily Wigg; Small Pukekos Preschool - Rebecca Harris and pre-schoolers.

## Boyhood Friday 15 May 7:30pm (M)

Filed over 12 years with the same cast, Boyhood is a groundbreaking story of growing up as seen through the eyes of a child named Mason, who literally grows up on screen before our eyes. Boyhood charts the rocky terrain of childhood like no other film has before. Snapshots of adolescence from road trips and family dinners to birthdays and graduations and all the moments in between become transcendent, set to a soundtrack spanning the years from Coldplay's Yellow to Arcade Fire's Deep Blue. Boyhood is both a nostalgic time capsule of the recent past and an ode to growing up and parenting.  
Starring: Ellar Coltrane, Patricia Arquette, Elijah Smith, Ethan Hawke,

# OTAMATEA HIGH SCHOOL

The end of Term Two saw our Kapa Haka group perform at Te Tai Tokerau Festival at Opononi Area School. The group performed with an immense sense of pride and mana. It was great to see a large number of whanau and friends supporting them. The group will continue to build upon their performance as they prepare for the regional competition later in the year. Our group were the last performers as the final conclusion of proceedings involved the host school gifting a beautiful taonga to the next host school; this protocol also symbolised the responsibility endowed upon us to be good hosts next year. We have begun preparations for hosting Te Tai Tokerau 2016 as well as preparations for the 50th Otamatea High School Reunion; both events will be run concurrently at the end of Term One 2016.

you will be pleased to know that we have recently installed heat pumps in the classrooms which desperately needed them. We have also been working on a new website; the website is now live so please check it out on [www.otamatea.school.nz](http://www.otamatea.school.nz). Please note that Tuesday 28th April is a Staff Only Day but selected students are being invited into school for a leadership seminar. This seminar is to upskill representatives from each whanau class in OTA Leadership. Students who are involved in this will receive an invitation from Ms Green.

Remember to secure your tickets for Olla Podriga, our annual variety performance evening, by contacting the school office.

*~Rachel Clothier-Simmonds, Principal*

### Runs on the Board

Over the course of Term One our senior students have been hard at work completing their first internal assessments of the year. Senior teachers have designed their 2015 courses so that all students in each class have had the opportunity to gain at least three credits by the end of the first term. For example, students doing six subjects in year 11, who have passed all their term 1 assessments, will have achieved at least 18 credits already. This is a significant step towards passing NCEA and we believe that early success will motivate students to continue to work hard for the rest of the year.

### New courses

We have a number of brand new NCEA courses this year: a new Barista course, a new multi-level computeracy course as well as a new multi-level digital media studies course. Under the expert guidance of Julie Lewis, we have 20 barista students gaining valuable work experience as well as learning the art of preparing and serving coffee, and gaining credits in the process. Guy Smith has developed the new computeracy and digital media studies

*continued on page 7*

The beginning of this term started with a special Anzac Assembly to commemorate those who were killed in battle 100 years ago. The assembly began with the national anthem, incorporated various students and staff members reciting significant poems and historical events and concluded with The Last Post being played on the bugle. Students from each whanau class, staff members and prefects planted 30 crosses on the grass area at the front of the school. The crosses bore the names of New Zealanders who were killed in battle; they will be on display at the front of the school for the next two weeks. Our prefects and some staff will also be laying wreaths at the various local Anzac services on Saturday, as is customary every year. With the approaching of the winter months

**Duke of Edinburgh**  
Mt Pirongia Silver Pre-Expedition  
March 13, 14, 15 saw Kharnse, Rhys, Kalani, Blake and Marshall complete their silver pre expedition on Mt Pirongia.

The group tramped to the Kaniwhaniwha camp ground on dark. Tents were quickly erected and tea cooked. A "SARS" team arrived to begin their training in the bush at night. We enjoyed a game of last card - then sleep! We were up at 6.30am and by 8am were tramping up the Bell track to the Kaniwhaniwha Caves. These were explored, then the tallest known Kahikatea Tree was visited. It was interesting to see an information board beside it with a photo of a bullock team removing Kahikatea at Maungaturoto! We continued up the Bell track to tackle

"The Cone" (the second highest peak on Mt Pirongia at 939m). After a tough 200m climb, we finally summited to be rewarded with a 360 degree panorama out to Raglan, Inland to Te Awamutu, Mt Ngaruhoe to name a few.

An hour later our camp site outside Pahautea Hut was reached. Dinner was cooked and friendly chatter with another DOE silver/bronze group from a Pukekohe school was exchanged.

A fiery sun set blazed over the West Coast then during the night, the winds from Cyclone Pam began to be felt and the mountain was in whiteout by morning. We quickly dismantled our tents and headed for the summit (959m) along the Pahautea Track (part of Te Araroa Trail). The track was mostly down hill so by lunchtime we were practising a river crossing in the Kaniwhaniwha river and then some fun bombing into it from a rope swing and various spots up a tree. Our silver qualifier will be part of the Hillary Trail in the Waitakeres.

Thank you to Miss Parkinson and Mrs Bruce for accompanying us.

## Gala

Once again, thank you to everyone who helped with the Gala. Special thanks goes to Bruce Ferguson for being MC for the day, and for organising the truck, the bands and the barbecue. Thank you to Debbie and Colin Osborne and Carla Beyer-Dais and Burkahard Beyer for running the food stalls. Thanks to Naomi, Walker, Melissa Hunt, Ellen Gray and Siobhan Cole for running the White Elephant and to Jacs Busby, Emma Jay Hill and Kerry Law for managing the Drinks and Iceblocks' stall. Thanks to Benji and Laura Woodman, and Andrea Mitchison for running the Book Stall. Suzanne Cundy and Kristina Paterson helped with the Pancake Stall and Lorena Reynolds helped with the Kids Zone stall. Also, thank you to all the B.O.T and P.T.A members who have helped tirelessly for many weeks to make the Gala a great day for everyone. If you would like to give feedback about the gala, please send it in. Ideas and suggestions welcome.

## Kaiwaka Sports Awards

Congratulations to the following Kaiwaka School students who were nominated for the Kaiwaka Sports Association Sportsperson of the Year Awards held in the school holidays: Junior Sportsperson of the Year: Sophie Gribble gymnastics, Gareth Ferguson tennis, Faith Pene netball. Greg McRae Memorial Award: Maia Fairburn netball.

John Markby from More FM was the emcee for the Sports Awards and during a break in the evening, he interviewed Maia and Gareth about their nomination and what they like about living in Kaiwaka. Their interview was played on the radio the next day - you're famous Maia and Gareth!

# KAIWAKA TENNIS CLUB

After an absence of more than five years, the Hargreaves Cup was able to be played.

Congratulations to Faun Driver and Brenda Ferguson winners of the Kaiwaka Tennis junior singles handicap tournament held 19th April. They are pictured with runners-up Hamish Ferguson and Grace Hunt-Eramiha. The tournament was contested by 11 players, and featured some good rallies of play. The plate competition was won by Zac Wing and Lily Wing, plate runners-up were Ryan Stirling and Casey Greig. The tournament was supported by a good number of parents who kept score for the players.

Club secretary and tournament organiser Lindell Ferguson was delighted to be able to offer the club's 25 juniors a tournament to complete the season. She thanks Evan Wright and Kaiwaka Sports Association for ensuring the club has been able to continue operating throughout recent years with a small base. She thanks new club president Jody Greig for her assistance, and coach John White and Innes Anderson who have worked with her throughout the past few seasons for supporting the club, instructing the players and helping run the tournament. # KAIWAKA SPORTS ASSOCIATION

## Sports Awards

Over 100 people turned up to the 31st Kaiwaka Sports Association Sports Awards held recently at the Kaiwaka Sports Complex.

Emcee John Markby, from More FM, read the profiles of the 29 nominees and made mention of how hard the voting must have been with such a high calibre of nominees. All nominees received a gift, with thanks to Scott Worsfold from the ANZ Bank.

Congratulations to the winners: Senior Sportsperson of the Year - Matt Moulds, Junior Sportsperson of the Year - Georgia Brierly, Service to Sport - Jennie Reynolds, Greg McRae Memorial Trophy - Holly Anderson.

Senior Sportsperson of the Year Matt Moulds was nominated by the Otamatea Hawks Rugby Club. As well as playing for the Hawks, Matt is the Northland Taniwha hooker and won their Most Improved Forward of the Year award. Matt is in the Blues Development Squad, the Blues 10's team and the All Blacks 7's squad.

Thirteen year old Georgia Brierly was nominated by the Kaiwaka Touch Club and has extensive achievements in touch, netball, swimming, cross country, tag, kapa haka and rippa rugby. She particularly excels at athletics - Georgia competed at the North Island Colgate Games and broke the Northland record for Under 13 girls 400m.

Nominated by the Eastern United JMB Club, Service to Sport winner Jennie Reynolds has an impressive list of contribution to rugby clubs: President and Secretary of Eastern United JMB, Treasurer and Secretary of Rodney/Otamatea JMB sub-union as well as Secretary and Treasurer of the Otamatea Hawks.

The Greg McRae Memorial Trophy (awarded for sporting excellence and contribution to code) was won by Holly Anderson. Holly is a talented gymnast, having achieved Level 6 in Kiwi Gym. Holly is a coach for the Otamatea Gymnastics club and has started a coaching course, run by Gymsport. Holly raised funds for her Scout Troop by running a disco, works in the pavilion during many KSA events and recently shaved her head to raise funds for the Leukaemia Foundation.

There was a sports quiz during the evening - congratulations to Jasmine Sampson, Hamish Ferguson, Maia Fairburn and Billie Le Mesurier-Cowbourne who won prizes.

Thank you to young singers Tasha Perrett and Michelle Clark (who sang at our Yulia & Friends Concert) for performing for us again. The audience was wowed with their beautiful singing.

During a break in the evening John Markby interviewed three of the young nominees, Maia Fairburn, Holly

Anderson and Gareth Ferguson, about their sports and what they liked about living in Kaiwaka. He then played the recording on his More FM radio show the next day.

Many thanks to Mark and Pam and

their catering team for a lovely meal, to bar volunteers Melissa and Bruce and to Steve Campbell from overviewsnz.com who took photos throughout the evening. The photos can be viewed on our website

www.kaiwakasports.co.nz.

## Rugby - Junior

The first JMB Rally Day of the season was held at the Sports Complex on Friday evening - 20 teams played so it was a very busy night! Many thanks to all the Eastern United parents who helped out on the night.

## Rugby - Senior

Our senior rugby teams, Tranznorth Hawks, will be playing Mid Northern at our grounds this Friday evening - the Reserves kickoff at 6.30pm and premiers kickoff at 8pm and our Under 14's will be playing at 6.30pm, they will be taking on Rodney. The Under 14's will also be playing at our grounds on Saturday 9<sup>th</sup> May at 10am, playing against Waipu.

Supporters are always encouraged to come along to cheer on our teams, refreshments available.

## Wanted

## EVERYBODY'S READING ROOM

Everybody's Reading Room is a new play inspired by actual events in Kaipara during World War 1.

Alfred Gregory was a Dargaville draper, Quaker, and anti-militarist (as they were known in those days - nowadays we would call him a peace activist) imprisoned for sedition when he refused to display a military service registration poster in 1916. I first learned of Gregory's stand through a historical article in the Kaipara Lifestyler in 2007. The experiences of wartime conscientious objectors like Archie Baxter and others, who refused to fight, have been well documented, but Gregory's story is practically unknown.

I have taken extensive literary license with the facts, fictionalising his story and all the characters, but the core of the plot is based around his act of civil disobedience during wartime. The play explores conscience and ideology, and is haunted throughout by the ghost of Anglo/Irish philosopher (and playwright!), George Bernard Shaw, who also opposed the war, but for pragmatic, rather than pacifist, reasons.

I am in contact with one of Gregory's granddaughters, and members of the family are coming to see the play.

The play is recommended for audiences aged 13 and up, and directed by Alister Williams and produced by Platform Thirteen, a non-profit community theatre group. It has a cast of nine and has been in rehearsal since February. Cast and production team come from an area that encompasses Dargaville, Waipu and Wellsford and all points in between.

# MORRIE'S MERIT AWARD

Morrison Leslie was awarded the New Zealand Sheep Dog Trial Assn 'Straight Furrow' Merit Award at the New Zealand annual general meeting in 2010, but our Morrie 'escaped' his presentation until the Northland Sheep Dog Trial Centre Championships held at Oneriri last weekend. Tony Hargreaves, who had originally received it on his behalf, was most pleased to present the certificate. The crowd at the championship prizegiving were delighted to see Morrie recognised for the work and support he has given.

The words of the award tell the story: "Morrison Leslie, or Morrie as we call him, has been a member of the Molesworth S.D.T.C. for over 40 years. He has been known to run a dog on rare occasions, but only at his local club trials. Any working bee will see Morrie there to help with his dry wit and quiet sense of humour which is enjoyed by all who work with him. His ability to match up sheep and help put them on the mark with the team on Molesworth's huntaway course is appreciated by competitors and judges alike. So much so that he took the long trip to Te Ahu Ahu, Ohaeawai, to be part of the North Island Championships. When the Handy Dog event was hosted by the Molesworth and Otamatea Clubs, Morrie was one of the first to offer his time to assist with running this event which has become a very popular part of our Northland Centre Calendar. Whether it be setting up, running or the cleaning up we can always rely on Morrie's valuable assistance and a yarn and a quiet beer is all that he ever seems to want in return from dog trials."

## Tranznorth Otamatea Hawks Rugby Club

Excellent day for the Otamatea Hawks today 25<sup>th</sup> April when we played Hikurangi in Whangarei. We had 2 good wins, giving the Reserves 4/4 and the Premiers 3/4 - the best start to our season in years, long may it continue. The Premiers on 36-12 and the Reserves 33-23. An awesome debut by Jordan Hyland with excellent games from Mils Taukiuvea, Kainga Peselili and Dan Hawkins. Logan Eager had his best game to date. Well done, guys.

# GLOBAL CREATIVITY IN KAIWAKA

When children come together from anywhere in the world, play and express themselves freely together, wonderful creations can emerge. Such an 'event' happened when Grace, from Kaiwaka met up with Jaya and Gabriel from Forest Row Sussex England who were visiting family in our "Little Town of Lights". Yes, Peter Martin and Carolyn Hacker who live there provided the environment and yes, there was a 'space' available to fill with ideas, but ultimately the large and colourful 6x3 metre mural that flowed onto a temporary studio/garage wall was from these little natural artists from opposite sides of the world. It wasn't long before the painting became a 'piece de resistance' and a point of focus for anyone visiting; young old were drawn to add (with invitation of course!) their touch of paint to enhance the nature scene imaginatively expressing Kaiwaka's landscape. Day and night, sun and moon with reflections, the Koru and even a part time resident peacock were part of it all.

Out of it all a pen pal friendship has been born and Jaya, back in her Steiner school in Forest Row next week will be showing her class the creative venture in Northland's beautiful little place of Kaiwaka and its smallest strip of land linking two world oceans. Believe me, that's tiny in the eyes of the other side of the world; not to mention that it is also the strangest desire to have a sunny North facing house here, when of course it is the opposite in the northern hemisphere!

The point here is that we are really all 'artists' in some way, but sometimes it takes children to uplift and remind us that we all have it within – as the world also does.

## And the Tankers Wore Their Poppies...

Fonterra milk tankers have been sporting ANZAC poppies recently.  
Photo supplied by Mike Titley, Depot Manager, Fonterra Kauri site.

The reason the Air Force, Army, Navy and Marines bicker amongst themselves is that they don't speak the same language. For instance, take the simple phrase 'secure the building'. The Army will post guards around the place. The Navy will turn out the lights and lock the doors. The Marines will kill everybody inside and set up a headquarters. The Air Force will take out a 5 year lease with an option to buy.

# MOLESWORTH SHEEP DOG TRIALS CLUB

Weather was kind for most of the trials, apart from some short very wet showers on the Saturday afternoon and wet they were, sun came out, the sheep became very biddable, changes were seen on the leader boards.

The judges were Tom Manson from Wairoa, David Sheild from Dannevirke and Bo Milner from Dannevirke. Competitors came from as far away as Ngamatea on the Napier Taihape Road, Turangi, throughout the King Country and Waikato regions. Northland competitors were stoic and kept the majority of the prize money north of the bridge. Although slim were the pickings for club members Scott McRae

with Toby in the Hunts and Sceata and Cory in the Short head and yard did well, Rob Hastie with Jack in the long head were competitive in the run offs.

The club extends their thanks to: our landlords the Paton family and their staff, to the "kitchen team" who provided workers and competitors with lovely food and cups of tea and coffee over the three days, the workers who at times were in the dark at both ends of the day, John Hargreaves' family for making their sheep available once again, a joy to work at times a challenge at other times.

Our many sponsors, Farmlands, Wairere King, P.G.G. Wrightsons, Jim Leslie,

Bayleys, Onroad Transport, Neville Bros, Hawken Family Trust, Manukau Wools, Direct Animal Health, AFFCO, Otamatea Vet Club Maungaturoto, Mighty Mix, Tux, Greenlea, Marty Brown Weed Spraying, Rabobank, Ballance, Ravensdown, and perhaps there are others that I may have forgotten - you have all helped in your own way to make this trial a success, something for other clubs in the north to aspire to.

As we move towards the end of the season we wish our members that will be competing at Island and New Zealand champs all the best.

~Rob H.

## NORTHTEC TRADES TRAINING

Our current three courses are running really well. At the same time, we will always work hard to be filling the next courses by asking everyone to keep getting the word spread out far and wide.

### Painting Level 4

Jarrold is taking this class. It is an 18 month course and as they cover surfaces they also cover a lot of theory. Painting on community projects and some other local work plus some top students have things looking good for some full employment after graduating.

### Certificate in Carpentry Level 4

This is a 12 month course. We are fortunate to have John Collins as a tutor. John has had 14 years teaching

trades, on top of his years on the job. While taking his class through all of the theory required to become qualified carpenters, they will be working on some more community projects.

### Elementary Construction Level 2

This course only runs for 6 months and suits aspiring chippies and would-be home fixers. In mid July we start the next class so check us out.

### Open Day Cuppa

On Monday 18 May we are going to show off our revamped workshop and a lot of skills. The really good students and camaraderie amongst them make these courses great to be a part of. Watch out for more info... ~Tim

## THE WORK CAMP

### Barnbuilders Work Camp

After this current 6 month Elementary Construction Course, I will hand the next intake of 12 students to another fine tutor.

Our plan is to further enthuse and train this crew so we can find them work within 6 months. We expect to take on another group at the end of the year.

### Get your Firearms License

Theory - on the last Thursday of each month at the Kaiwaka Workshop beside the Italian Bakery at 7pm. Graeme and Lars will give their time to help with firearms safety and hunting tips. Some hunting and target shooting are also in our sights. Gold coin koha, please. ~Tim
