No.1

29 January 2024

**MERRY
CHRISTMAS
KAIWAKA FIRE
BRIGADE
\$5466.70**

KAIWAKA LIGHTS

The Christmas Lights and Village and 'snow' delighted many travellers and local folk. The Lights were noticed by Emma, RNZ reporter, who caught up with Mark for a radio interview. She certainly enjoyed speaking with him. Kaiwaka was included along with other larger towns throughout New Zealand e.g. Ashburton. Well done Pam and Mark! The interview was at <https://www.rnz.co.nz/national/programmes/morningreport/audio/2018919494/which-nz-town-has-the-most-christmas-spirit>

A note from Pam and Mark, "To everyone that visited our Christmas Lights and made a Donation to the Kaiwaka Fire Brigade we raised a total of \$5466.70.

A special thank you to the anonymous donor who made a very substantial donation. Thank you Caltex for your help with parking and your donation. See you all next Christmas."

Photo left: Patsy Treadwell and Santa in front of one of Mark's displays.
Photo right: Fireman Adrian Buxton presenting Ana Greig with her 'Kaiwaka

Lights' prize following the draw on Xmas eve.

See the KAIWAKA BUGLE in colour online at www.kaiwaka.co.nz at any time.

THE OLDOAK (M)

Friday 2 February 7.30 pm

The Old Oak is a 2023 drama film directed by Ken Loach and written by Paul Laverty. 'The future for the last remaining pub, The Old Oak, in a village of Northeast England, where people are leaving the land as the mines are closed... In an unlikely friendship, TJ meets a curious young Syrian woman, Yara, who has a camera. Can they find a way for the two communities to understand each other?'

PAST LIVES (M)

Friday 16 February 7.30 pm

Directed by Celine Song. With Greta Lee, Teo Yoo, John Magaro, Moon Seung-ah. Nora and Hae Sung, two deeply connected childhood friends, are wrest apart after Nora's family emigrates from South Korea. Decades later, they are reunited for one fateful week as they confront destiny, love and the choices that make a life. The plot is semi-autobiographical and inspired by real events from Song's life.

ABOUT TOWN

- ☛ Thank you Pam and Mark Ottaway for your wonderful Christmas Lights; and thank you to our local Fire Brigade members for stepping out into the Lights - a wonderful fundraiser
- ☛ Sadly we note the passing of Ricky Dowson. Our condolences go out to the Dowson Family and his many friends.
- ☛ We remember Mel Linnell who passed away recently, especially as a Kaiwaka St. John First Responder and as our wonderful hairdresser.
- ☛ Police car chase early hours of Friday 26 January caused a great disturbance between Auckland and Kaiwaka. The young men were arrested.
- ☛ **Kaiwaka Can** first meeting of the year will be Wednesday, 21st February - 5.30 pm at the Archie Bull Hall
- ☛ Karen recorded **123.5mm of rain over 3 days during New Year!** See Kaiwaka Weather page 5 for the Kaiwaka's highest annual rainfall recorded - **2883mm over 199 days in 2023.**
- ☛ **Kaiwaka Playcentre** on Hastie Lane opens for 2024 on Wednesday 31 January - families and preschoolers welcome - see Facebook
- ☛ 'The boy stood on the burning deck, His pockets full of crackers, One slipped down his trouser-leg, And burnt off both his... kneecaps!'
- ☛ **BLOOD DONORS:** Mangawhai Library Hall, 10am - 4pm Tuesday 13 February - bookings open
- ☛ **NEW:** Sam & Houy Ing, owners of Tulip Café & Motel will be opening a Ready Roast shop at the Park mid February 2024.
- ☛ **NEW:** Mane Tame Hair - Aimee's Salon is Shop 4/10 Kaiwaka-Mangawhai Rd - 09 4312206
- ☛ **COMING:** Laundrette - opposite Eutopia Café
- ☛ Local news, history, photos most welcome in the Bugle; plus collators on the last Monday of the month
- ☛ Bugle 1 can be seen in colour at www.kaiwaka.co.nz ~ Lindsey, Ed
 "You're braver than you believe, stronger than you seem, and smarter than you think." ~ Christopher Ronin, Winnie the Pooh - AA Milne

● **Reserve Contributions Contestable Fund:** Opens 1 June 2024 - closes at 4.30pm on 17 July 2024.

KAIWAKA WEATHER DECEMBER 2023

Happy New Year, I trust you all had a reasonably good festive season. Ours was relatively quiet as the wind was in the right direction to take most of the Northern Bass noise away from us. The concert organisers and patrons however had to deal with the deluges of rain each and every day. Some rain was needed for farms and gardens alike but 123.5mm over 3 days was a bit more than needed.

The rainfall recorded at my place for December 2023 was 218.5 over 11 days.

The total for 2023 was a whopping 2883mm over 199 days which was 753.5mm higher than the wettest year I have recorded which was in 2022.

Our driest December was in 2015 with a mere 27mm.

Derek (in the Hakaru Valley) recorded 193mm for December over 12 days.

Hakaru Valley rainfall for the year was 2577mm over 208 days. 649mm higher than previous wettest year which also was 2022.

February 2023 was Derek's highest monthly record with 601mm, my highest month was also February and I recorded 702mm.

Take care, Karen

Northpower

SAVE MONEY ON YOUR POWER BILL

Northpower are providing free Home Energy Assessments to help families save money on their power bills.

We look at things like lighting, heating, hot water, switching retailers and also provide tips and advice to try to help you find ways to save money on your bill.

We have an assessor in Kaiwaka now.

Call Arriane at Northpower on 021 587 900 or

email arriane.christie@northpower.com and we will put you in touch with them.

The programme provides free personalised energy saving advice and devices to households in Whangārei and Kaipara through local, on-the-ground assessors, with the aim of saving those households money on their power bills. Run in partnership with Ecobulb Ltd, it uses a simple online tool to help calculate and then show potential savings to the households who receive an assessment.

As of 17 September 2023, the programme had completed 2,067 assessments, distributed over 22,300 LED light bulbs and 1,960 low flow shower heads, and saved those households an estimated \$1.62 million per year.

BE PREPARED

About this time last year we had several weather events which saw a need for action plan to be put in place. Along with the Fire Chief and a few other interested locals Kaiwaka Can took on the challenge, and along with John the local Fire Chief and a few other interested locals Kaiwaka Emergency Response Group was born, this covers the areas from Hakaru, Oneriri, Kaiwaka township and Oruawharo and is now a sub-Committee of Kaiwaka Can. This Group works alongside and under the guidance of Civil Defence Northland.

In the case of future Events like these here are a few pointers to help us be better prepared.

1. Make sure you have a supply of Bottled Water, dry foods, candles and torches with Batteries stored in an Airtight, waterproof container. Along with Gas for the BBQ to cook.
2. ALWAYS your first call if in danger and need help dial 111.
3. For those inconvenienced the St John Hall opposite Kaiwaka Four Square will be opened and will be our command centre. We have other places available if not accessible.
4. Check for Information on Facebook Pages of Kaiwaka Can, Kaiwaka Community, Hakaru Community or Kaipara Council Civil Defence Page. Or have a battery powered Radio if no power.
5. DOWNLOAD Antenna App on your Cell phone. Handy for Emergencies.

Our first meeting for the year will be held on Wednesday February 21st, 5.30pm at the Archie Bull Hall behind the Church next to the Four Square. Everyone is welcome to come along and help progress our Little Town of Lights. Help us make a family friendly Community to be proud of. ~ David

KAIWAKA CEMETERY

New continuous concrete berms have been laid at the Kaiwaka Cemetery. The top photo, on the north side of the wee chapel shows the concrete strip where plaques may be placed next to the ashes (urns) plots. The plots are a metre square and are positioned east and west of the berm; up to four ashes urns can be placed within the one plot. The bottom photo shows the continued line in position for headstones for future burial graves.

The cemetery also has provision for memorial plaques to be mounted in the chapel, for people whose ashes may have been scattered elsewhere. For further information on the Ashes Plots and the Burial Graves please contact D Wright 021889370; L Ferguson 094312542

MAUNGATUROTO & DISTRICTS ROTARY

BBQ
 The Rotary year has started well for us with a very enjoyable BBQ at President Babe's (and Val's) home in Paparoa.

CREATE HOPE in the WORLD
 We were very fortunate that the evening was perfect and the bush around us ensured that we were treated to a variety of bird noises. As is usually the case with potluck meals, there was a wide variety of salads and desserts on hand. We all had a chance to catch up on happenings over the holiday period.

GABRIELLA and TEINA SEAGER
 At our final meeting for 2023, we were able to welcome a number of community members including the Principal of Otamatea High School and the Paparoa Lions President.

We were privileged to have our joint President Scholarship winners (**Gabriella and Teina Seager**) talk to us and present images of some of the projects they have completed during the course of their studies. Both of these young ladies went to Otamatea (five years apart) and both have chosen courses in which they can make the best use of their creativity skills. Gabriella showed us an animated film called Flour Power and Teina showed us how she constructed 3D models, using a variety of textures and use of space. They showed what can be achieved on leaving school, and it would seem that both are on the path to becoming life-long learners, being adaptable to changing circumstances. They will both receive \$1,000 to go towards their future studies.

INTERACT CLUB?
 While, as a Club we have assisted in fundraising (with the provision of catered meals) by DOE (Duke of Edinburgh) and netball groups, we have also provided financial support to both DOE and William Pike. The Otamatea High School has been very fortunate to have the dedication of Robyn Bruce (for 18 years) to provide the DOE programme. However, we are now looking at other ways in which we can engage senior youth at the High School.

There is some thought being given to establish an Interact Club, which is specifically for senior school students.

DRIVER MENTORS
 Driver mentoring has taken a break during the statutory holidays. We are very grateful for the mentors we have on hand and the support we receive from Roadsafes Northland and People Potential. However, our numbers are limited so if you believe you might be able to help us in assisting people to get their restricted licence, please get in touch with me (021 142 0357). We have an automatic car which we use, and there is no cost to participants – apart from the cost of their licence. Mentors can choose to be available on only one specific day, if that works best for them.

'THE LAST WALTZ' - McSweeney Brothers Irish Band

If you haven't booked your ticket for the McSweeney Brothers Irish Band on Saturday 23rd March, you can do so by emailing:

maungaturotocountryclub@gmail.com.
 Tickets are \$25 per person.

This is an evening not to be missed.
 ~ Eileen 0211420357

We will be using our Facebook page for more information sharing in 2024.

SOCIAL VOLLEYBALL

We look forward to very soon receiving portable outdoor social volleyball equipment to be placed on the tennis courts, and new bark being installed in our playground.

Thank you to Kaipara District Council Reserve Contributions Fund for funding these projects.

HOOPS IN PARKS

We also look forward to the upgrade of our outdoor half basketball court area next to the tennis courts. We are lucky to have been a successful nominee through the **Hoops in Parks - Schick Neighbourhoods** campaign.

Ref: <https://nz.basketball/get-involved/schick-neighbourhoods/>

OTAMATEA HAWKS

RUGBY

2024 trainings have begun!

Tuesdays, 6.30pm at the Kaiwaka Sports Assn grounds.

New players are welcome, come along and meet the team and coaches.

Note the new logo ...

TOP of the ROCK!

Kaiwaka Sports Association's annual multi-sport event, the Top of the Rock, is back it will be held on

Sunday 17th March 2024
St Patrick's Day.

● There are two running/walking routes: a 5km and a 10km. The 5km route goes around the two lakes near Baldrock Rd. The 10km route goes around those two lakes then traverses private land not usually open to the public, reaching a lofty spot on the hills at the base of the Brynderwyns with fantastic views to the ocean to the east and through to the Kaipara Harbour to the west.

● There will be a Kids Fun Bike Ride for children under 11 years, which is free to enter. It's a short, flat course (going around the sports complex grounds, school grounds and a neighbour's farm), and takes around 10 minutes, so it's perfect for the young ones. Children will need a bike, helmet and shoes.

● Prizegiving and entertainment will be held at the Sports Complex afterwards, with prizes for place-getters and lots of great spot prizes.

● **Entries are now open** – check on our website or Facebook page (Kaiwaka Top of the Rock 2024) for more information. If businesses or individuals are keen to offer sponsorship, we would of course love to hear from you. Full briefing provided.

THE ERRANT RUGBY BALL

The KSA lounge carpet was a sodden mess following Kaiwaka's heavy downpour on 15 January.

Thank you Pam and Mark Ottaway for the amazing 'drying' work.

NEW RATING VALUATIONS

New rating valuations on the way for Kaipara – QV

Kaipara property owners will soon receive new three-yearly rating valuations in the post.

Updated values have been prepared for all 16,234 properties in the district by independent valuers Quotable Value (QV) on behalf of Kaipara District Council. They reflect the likely price a property would have sold for on 1 September 2023, not including chattels. Since the district's last revaluation in 2020, the value of residential housing has increased by an average of 37%. The average house value is now at \$843,000, while the corresponding average land value has increased by 70% to a new average of \$473,000.

QV Auckland/Northern manager Sanjay Kanji said the property market underwent a dynamic three-year period, marked by record-low interest rates that helped fuel substantial value growth in 2021, before a correction set in from mid-2022 and 2023.

"Since we last revalued Kaipara in 2020, we've witnessed a strong increase in residential property value levels overall. Though property values have softened over the past 18 months or so, they are substantially higher than their pre-pandemic levels," he said.

"Properties at the more affordable end of the ladder have experienced the highest increases due to competition from first-home buyers and investors, who remain the most active groups in these markets, and have therefore experienced some of the largest average value increases since 2020 – particularly in and around Ruawai and Dargaville."

the highest increases. Retirees, holiday makers and local residents are most active within this market. The recently constructed Puhoi to Warkworth motorway has increased accessibility to Mangawhai. New developments including the Te Arai and Tara Iti golf courses and Mangawhai Central has contributed to the area's growth," Mr. Kanji added.

Meanwhile, commercial property values have increased by 25% and property values in the industrial sector have increased by 37% since the district's last rating valuation in 2020. Commercial and industrial land values have also increased by 59% and 72% respectively.

The total rateable value for the district is now \$15.8 billion, with the land value of those properties now valued at \$9.7 billion.

What are rating valuations? Rating valuations are usually carried out on all New Zealand properties every three years to help local councils assess rates for the following three-year period. They are not intended to be used for any other purpose, including raising finance with banks or as insurance valuations.

They reflect the likely selling price of a property at the effective revaluation date, which was 1 September 2023, and do not include chattels. Any changes in the market since that time will not be included in the new rating valuations, which often means that a sale price achieved today will be different to the new rating valuation.

The updated rating valuations are then independently audited by the Office of the Valuer General to ensure they meet rigorous quality standards, before the new rating valuations are confirmed and posted to property owners.

If owners do not agree with their rating valuation, they have a right to object through the objection process before 7th March 2024.

KAIWAKA REVIVAL CHURCH

Our Revival News

We are excited to be back in the house of the Lord to see all that He has in store for us for 2024. Here are some things we have in store for this season:

ZION SUMMER SERVICES

For the summer months, one Sunday a month we will be holding our Sunday services at Ywam Zion base, 504 Wairere Road, Maungaturoto. This will be on the first Sunday of every month, up to April. The first one being Sunday 4th February, 10am. There will be a time of fellowship and a shared meal after the service.

What to bring: A plate for shared lunch, children can bring their togs and towel in case we set up the waterslide! Make sure your children have sunblock, hats, water and something for shared morning tea.

MAN UP & LEGACY

Wednesday 7th February we are launching Man Up and Legacy, 7pm at Kaiwaka Revival Church.

Due to the success and growth of this ministry, this year we are also launching at the following locations: Mangawhai, Wellsford and Warkworth. *More details on our Facebook page.*

MIDWEEK MINISTRIES

- Prayer 7pm Tuesday
- Women's group 10.30am Wednesday
- Wise Men 7pm Thursday

Please stay updated through our website and Facebook page and keep an eye on our newsletters in your inbox.

Blessings and Aroha, Ps Tawhiri

GARDENING for the YOUNG & OLD

Welcome to the new year, Welcome to gardening in 2024!

If you are new to gardening here are some ideas:

You do not need lots of 'dug over' and composted garden beds, as you can grow lots of vegetables and flowers in small raised beds that you create yourself with off-cuts of timber or old car tyres.

If your New Year resolution was to enjoy gardening whether young or old, here are a few essentials for vege garden:

A. if space is limited use all of your open sunny space which is free draining and has good soil.

B. most edible plants need lots of sun for success.

C. your rows of vegetable need to face east to west to maximise heat from the sun.

D. Grow taller crops e.g. corn, at 'the back' so there is less likelihood of shading shorter veges..

For a range of vegetables that provide the best crop for the least space try the following:

Radish, Beetroot, peppers, dwarf varieties of beans and peas, lettuce, mesculin, rocket, cherry tomatoes, cucumber, baby carrots, spinach, and the oriental vegetables such as bok choy.

These vegetables are all high in nutritional value and straightforward to grow - either from seed or seedling plants. You will enjoy growing and harvesting them.

NATIVES

Now to diversify and touch on natives that look absolutely fantastic

and enhance the home garden:

Ferns are characteristic of the New Zealand bush and in a garden setting often impart a feeling of tranquillity and cool growth that is encountered in our native forests.

The **Hen and Chicken Fern** (mouku or manamana; Latin - *Asplenium bulbiferum*) a great example; the **Rengarenga Lily** is a great addition to the rock garden and is very hardy when close to the coast; ornamental **Tea-Tree** which come in various colours are great along fences of the hose section; **Hebe** is a great hardy native shrub - the bees love the several varieties.

Enjoy your time in the garden and being out in the fresh air. ~ Mr Jo.

PS I almost forgot - plant a kowhai!

KAIWAKA LIBRARY

HAPPY NEW YEAR!

The library team hopes you have had a good festive season and you're off to a good start for the new year. We are open our usual hours now, except for being closed on public holidays - see below for details.

RAUMATI | SUMMER READING CHALLENGE

It's not too late to enter the annual Summer Reading Challenge. It is being run on the Beanstack app this year - details are on Enterprise* or come into the library and we can help you. There are prizes to be won!

ROOF REPLACEMENT

We hit a small snag at the end of last year, which has delayed the replacement of our roof. But it is still going ahead, sometime soon with any luck.

BOOK REVIEW

Recently, I've read *Starter Villain* by John Scalzi, and can't recommend it highly enough! "Inheriting your mysterious uncle's supervillain business is more complicated than you might imagine. Sure, there are the things you'd expect. The undersea volcano lairs. The minions. The plots to take over the world. The international networks of rivals who want you dead. Much harder to get used to... are the sentient, language-using,

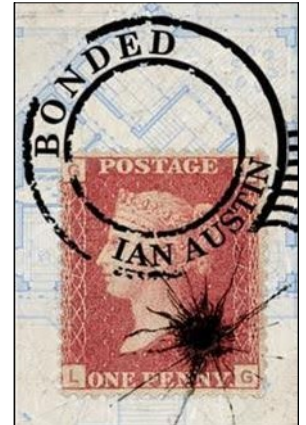

computer-savvy cats. And the fact that in the overall organization, they're management..." It's well-paced, hilarious, and made me look more carefully at my cats!

Also, *Bonded* by Ian Austin. It's the 4th book in the Dan Calder series. Like the author himself, Calder is an ex-British policeman who emigrated to New Zealand. Read the books in order for the best effect, though I think this would stand alone okay. *Agency*, *Second Grave*, and *Frozen Summer* are all on our shelves. "Dan Calder's

thrown in at the deep end to help Police unravel the evidence of a terrorist bombing plot at Auckland International Airport, but the one thing he needs most of all is the one thing he doesn't have time."

See you in the library! ~Wendy

Open Wed-Sat 10am-2pm, Mon 4-6pm.

WINNIE THE POOH ~ A.A.MILNE 100 YEARS

'First publication

Christopher Robin's teddy bear made his character debut, under the name Edward, in A. A. Milne's poem, "Teddy Bear", in the edition of 13 February 1924 of *Punch*, and the same poem was published in Milne's book of children's verse *When We Were Very Young* (6 November 1924).

Winnie-the-Pooh first appeared by name on 24 December 1925, in a Christmas story commissioned and published by the London newspaper *Evening News*. The first collection of Pooh stories appeared in the book *Winnie-the-Pooh*. The *Evening News* Christmas story reappeared as the first chapter of the book. At the beginning, it explained that Pooh was in fact Christopher Robin's Edward Bear, who had been renamed by the boy. He was renamed after an American black bear at London Zoo called Winnie who got her name from the fact that her owner had come from Winnipeg, Canada. The book was published in October 1926 by the publisher of Milne's earlier children's work, Methuen, in England, E. P. Dutton in the United States, and McClelland & Stewart in Canada. The book was an immediate critical and commercial success.

The children's author and literary critic John Rowe Townsend described *Winnie-the-Pooh* and its sequel *The House at Pooh Corner* as "the spectacular British success of the 1920s" and praised its light, readable prose'. *Ref. Wikipedia*

From 'When We Were Very Young' - a book of poetry by A. A. Milne.

TEDDY BEAR

*A bear, however hard he tries,
Grows tubby without exercise.
Our Teddy Bear is short and fat,
Which is not to be wondered at;
He gets what exercise he can
By falling off the ottoman,
But generally seems to lack
The energy to clamber back. ...*
